# **The Millennials**

*The Today of Tomorrow*

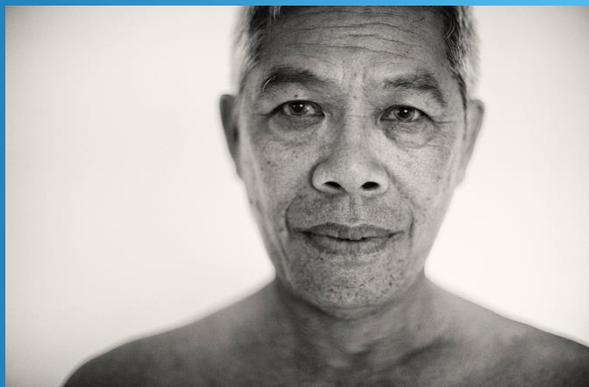

**What is the issue, really..?**

Those are a people who have passed

تِلْكَ أُمَّةٌ قَدْ خَلَتْ لَهَا مَا كَسَبَتْ وَلَكُمْ مَا كَسَبْتُمْ وَلَا تُسْأَلُونَ عَمَّا كَانُوا يَعْمَلُونَ

asked of what they used to do. – al-Baqarah:134

Generation X

Baby Boomer 2

Generation Y

Echo Boomers  
born early 1980s to 2000s

Generation Z

Those are a people who have passed away. Theirs is [the consequence of] that which they earned, and yours is that which you earn. And you will not be asked of what they used to do. – al-Baqarah:134

**Millennial characteristics vary by region, depending on their social and economic conditions,**  
**...but the Millennial generation is generally distinguished by their higher use and familiarity with communication, media and digital technologies.**

**The internet has given rise to various phenomena such as..**

- .. cyber bullying**
- .. cyber porn,**
- .. cyber suicide,**
- ... Internet addiction,**
- .. social isolation,**
- ..cyber racism**

One outcome is a noticeable  
incline among the Millennials  
towards the extreme ends of the  
ideational spectrum..

economics and politics

Right-wing approaches  
to economics and politics

- Green environmental movements
- LGBTQ
- Feminism
- Social justice warriors
- Minority right (Black Lives)

- Brexit
- Trump
- Nationalism

**There is also a marked rise in religiosity  
– as well as extremism,  
... The average age of the people who  
join **ISIS** is 27 years**

## Generation X

The social phenomena are nothing new.. only increase in number and intensity
