

# Enhance Your Skills For A Better Future

SKILLS *future*

## MY ACTION PLAN

What are my job interests?

What courses have I explored today?

# SkillsFuture For You!

**13 SkillsFuture Study Awards**  
Enjoy support while developing and deepening your skills in future economic growth clusters and areas of demand. You can get a monetary award of \$5,000 to defray out-of-pocket expenses associated with your course.  
[skillsfuture.sg/studyawards](http://skillsfuture.sg/studyawards)

**12 SkillsFuture Credit**  
Singaporeans aged 25 and above are given an initial credit of \$500 which will be topped up periodically. These credits do not expire. You can use them for a broad range of courses.  
[skillsfuture.sg/credit](http://skillsfuture.sg/credit)

**11 P-Max**  
Explore career opportunities with small and medium-sized enterprises (SMEs) with good progression opportunities for Professionals, Managers, Executives, and Technicians (PMETs).  
[skillsfuture.sg/p-max](http://skillsfuture.sg/p-max)

**10 SkillsFuture Career Advisors Programme**  
Speak to industry veterans who will provide career advice and help you expand your understanding of the skills and jobs that are in demand in specific sectors.  
[skillsfuture.sg/career-advisors](http://skillsfuture.sg/career-advisors)

**9 SkillsFuture Advice**  
Understand the importance of career planning, skills upgrading and find out more about the various government initiatives available to support you in your skills and career development.  
[skillsfuture.sg/advice](http://skillsfuture.sg/advice)

**FOR ALL SINGAPOREANS**  
Helping you navigate your career

**1 Education and Career Guidance (ECG)**  
Meet ECG counsellors to learn about the range of education and career options available to help you make an informed choice. Secondary school students can learn about post-secondary education pathways. Those in ITE, polytechnics, junior colleges and universities will be exposed to a range of career choices. Adults may obtain career and training advice through career centres.  
[skillsfuture.sg/ecg](http://skillsfuture.sg/ecg)

**2 MySkillsFuture**  
Singaporeans can access resources and tools related to jobs, education and skills training at MySkillsFuture, a one-stop online portal which incorporates the national Jobs Bank. You can take charge of your skills and career development throughout life and make informed learning and career choices.  
[myskillsfuture.sg](http://myskillsfuture.sg)

**3 Skills Framework**  
The Skills Framework provides up-to-date information on employment, career pathways, occupations, job roles, existing and emerging skills, as well as relevant education and training programmes. It is developed for the workforce by the government together with employers, unions and professional bodies.  
[skillsfuture.sg/skills-framework](http://skillsfuture.sg/skills-framework)
